Michael Byun

Design Director

We welcome our new Design Director, whose widely published work has earned recognition through numerous awards. He has applied his keen eye to the creation of workplaces, showrooms, residences and furniture lines. Michael has a Bachelor of Art from Arizona State University and has 17 years of professional experience. He has completed major projects internationally for clients including: Coca Cola, General Electric, Madison Dearborn Partners LLC, McKinsey & Company, Spiegel, and Winston & Strawn.

Paul Hagle, AIA

Technical Director

Paul holds a Master of Business Administration from DePaul University and a Bachelor of Science in Architecture from Kent State University. Paul is a licensed architect in 15 states and has been with The Environments Group since 1997. Selected client engagements include: Accenture and Foley & Lardner.

Donald E. Pikul, AIA

Technical Director

Don has 30 years of professional experience and has been with The Environments Group since 1996. He is a member of the International Facility Management Association and is a registered architect in 23 states. Don holds a Bachelor of Architecture from the Illinois Institute of Technology. Select client engagements include: The Federal Reserve Bank, Kraft Foods, Northwestern University and The PrivateBank and Trust.

Announcing New Technical and Design Directors

Help us celebrate these consummate professionals in their firmwide leadership roles. With their expertise and vision, they will ensure the highest quality of service and deliverables. We look forward to their contributions to our continuing heritage of design excellence.
